National Hate Crime Awareness Week (October 10th – 17th) is a national campaign, raising awareness and urging people to take a stand. A hate incident/crime is any incident or crime that is motivated by hostility, prejudice or hate on the grounds of race, religion, sexual orientation, disability or transgender identity.

In Norfolk there are approximately 1,200 hate incidents each year, however, around 80% of hate incidents are not reported, this needs to change if we are to stop this happening to people!

Stop Hate in Norfolk aims to encourage more people to have the confidence to report incidents of hate either direct to the police or through external organisations that can support people to report that may not wish to go direct to the police.

Hate crime is not acceptable and has no place in our community.

WHAT'S HAPPENING IN YOUR AREA?

PC Richard Dawson has continued to work closely with his Community partners in the town of Fakenham and surrounding areas. Richard has been engaging with the Community to establish what concerns or issues they have so that he can target and problem solve to a satisfaction such as Anti-social behaviour and speeding. Like other Beat Managers, Richard has been attending meetings virtually by using video conference technology which means he can keep in contact with partner agencies and other organisations within the community. Richard can often be seen on foot patrol around the town and providing high visible policing, especially on Market Days.

If you're aware of any issues in your neighbourhood Richard would love to hear from you. Feel free to get in touch via the email address above, online at www.norfolk.police.uk or via telephone on 101 – always 999 in an emergency.
